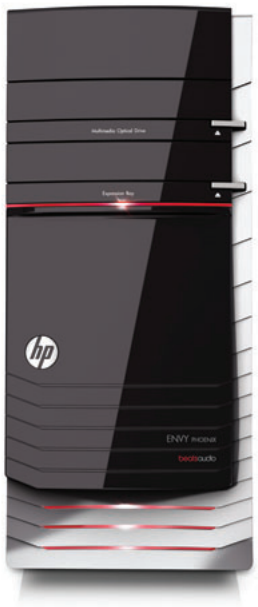
HP ENVY Phoenix 800-050ea Desktop PC

Outdo, Outplay, Outmatch. The expertly engineered HP ENVY Phoenix 800 offers incredible speed and power, and cutting-edge style for the greatest immersive games.



HP recommends Windows.

Design indicative of the power within

The HP ENVY Phoenix 800 screams power with its armor-style details, and slanted side window with interior red lighting, revealing the inner technology aggressively at work.

Powered for gaming

Lightning-fast processors and graphics enable immersive gaming with your favourite games and seamless multitasking including high-definition[1] videos, and photo editing software.

Loads of storage. Simple maintenance.

Tool-less access for up to three HDDs or SSDs and two ODDs provide storage for your digital library and backup. Easily add or swap components.

HP Connected Music.

Embedded Software that allows consumers to access the Universal Music Catalogue for 1 year for free and a chance to win concert tickets, meets and greets with artists and exclusive concerts[2].

[1] High definition (HD) content is required to view high-definition images; [2] Offer available on HP consumer PCs with Windows 8. Streaming option is free for 365 days from first day of the registration. Registration deadline: October 31st 2013.
